

2025 IEEE INTERNATIONAL WORKSHOP ON

Measurements and Applications in Veterinary and Animal Sciences

PISA, ITALY / APRIL 28-30, 2025

The IEEE International Workshop on Measurements and Applications in Veterinary and Animal Sciences (IEEE MeAVeAS) aims to comprehensively explore the various aspects of interactions among the realms of veterinary medicine and animal and food science with of instrumentations and measurements, bio-engineering, material science, chemical and biological measurements. The Workshop provides an opportunity for researchers, veterinarians, and animal scientists to engage in the exchange of ideas and knowledge, establish connections and collaborations, and stay updated on innovations in the fields of veterinary medicine and animal science.

MeAVeAS is dedicated to bringing together professionals working on the development of instrumentation and measurement methods, not only for veterinary medicine but also for ecology and for food and animal science. Our focus extends to various aspects, including cutting-edge technologies for monitoring the health of animals, metrology-assisted production in the food industry, sensors and associated signal conditioning techniques tailored for veterinary medicine and animal science, as well as calibration methods for electronic test and measurement applications in these fields.

ORGANIZERS

HONORARY CHAIRS

FRANCESCO PAOLO DI IACOVO
University of Pisa, Italy

BERNARDO TELLINI
University of Pisa, Italy

GENERAL CHAIRS

CHIARA MARITI
University of Pisa, Italy

MIRKO MARRACCI
University of Pisa, Italy

TECHNICAL PROGRAM CHAIRS

DUCCIO PANZANI
University of Pisa, Italy

ALICE BUFFI
University of Pisa, Italy

LISA GUARDONE
University of Pisa, Italy

LUCA TURINI
University of Pisa, Italy

SPECIAL SESSIONS

IEEE MeAVeAS 2025 Technical Program Committee solicits proposals for special sessions within the technical scopes of the Workshop.

Special Sessions have the main aim of creating a mini-workshop on a specific topic, where researchers working on the same argument can make knowledge.

Further information are available at

<https://meaveas.org/special-sessions>

ABSTRACT SUBMISSION

Interested researchers, academics, practitioners and industry partners are invited to submit abstracts for the Workshop. Contributions that involve joint authorship with students, industry and community partners are encouraged. An open invitation is extended to early career researchers and research students to contribute their work to this event.

Contribution submission will be handled electronically, through the submission page set up on the conference web page.
