

2025 IEEE INTERNATIONAL WORKSHOP ON

Measurements and Applications in Veterinary and Animal Sciences

PISA, ITALY / APRIL 28-30, 2025

CALL for Special Sessions

The IEEE International Workshop on Measurements and Applications in Veterinary and Animal Sciences (**IEEE MeAVeAS**) aims to comprehensively explore the various aspects of interactions among the realms of veterinary medicine and animal and food science with of instrumentations and measurements, bio-engineering, material science, chemical and biological measurements. The Workshop provides an opportunity for researchers, veterinarians, and animal scientists to engage in the exchange of ideas and knowledge, establish connections and collaborations, and stay updated on innovations in the fields of veterinary medicine and animal science.

The IEEE MeAVeAS 2025 Organizing Committee invites proposals for Special Sessions on new or emerging topics that have the potential to have a major impact on the field in the near future. The goal of these special sessions is to provide a forum for focused discussions on new topics or innovative applications of established approaches. A special session could address a particular theme or consist of work done in some particular international project.

SPECIAL SESSION PROPOSALS

Special Session **proposals** must contain the following information:

- Title of the proposed Special Session;
- Names, affiliations, and contact information of the session organizers;
- Brief biographies of the session organizers;
- Brief description of the proposed session.

Abstracts submitted to special sessions will undergo the same review process as regular ones, where the Special Session Organizers are responsible for organizing the peer-review process.

Special Session Proposals must be submitted through the submission website at
